Supporting Turfgrass Research

Proceeds from this tournament support the Virginia Turfgrass Foundation (VTF), a 501(c)(3) non-profit organization that promotes the benefits of natural grass by funding research to preserve, transform, and improve the environment throughout the commonwealth and beyond.

Through fundraising efforts, direct donations and events such as our annual SVTA golf tournament, the VTF has collectively given more than \$2 million to Virginia Tech's Turfgrass Program. An established Turfgrass Endowment is managed by the VTF to ensure we invest towards the future of Virginia's turfgrass industry.

All donations are 100% tax-deductible.
